

COMPANIES OFFERING SUMMER INTERNSHIPS

Alba Wheels Up

<https://www.albawheelsup.com/>

Location: Valley Stream, NY

Company Description:

Alba Wheels Up is a premier Customhouse broker and Freight Forwarder. Alba Wheels Up has become the standard for the expertise needed to handle the Wearing Apparel, Perishable Food Products, Electronics and Marble & Stone sectors, traditionally the most difficult commodities to both harmonize and provide supply chain management to. Our Global network provides true door-to-door service and supply chain management required in today's logistics environment. Our advanced transport management platform ensures visibility of our client's freight from point to point. All team members are encouraged and supported to obtain their career and personal goals while working in world class facilities.

Job Description:

Responsible for providing and maintaining effective customer service and satisfaction; provide information to resolve customer shipment related issues; interact with management and personnel to establish service criteria and meet customer requirements. Seeking an Internship to help us out with the following duties:

- Obtaining and processing the Importer Security Filing for Dairy shipments destined for US
- Recognizing the type of Dairy products and determining the proper US classification and determining license requirements, if necessary
- Follow up on Customs matters and resolve problems
- Determining the Food & Drug Product code and compliance with Food Safety Modernization Act
- Answer both customer inquiries and inter-company inquiries
- Preparing and distributing Inland delivery orders for temperature sensitive merchandise

Qualifications & Requirements:

- Good communication skills (verbal and written)
- Must be detailed oriented
- Proficient in Windows and Microsoft Office Suite

All-Ways Forwarding

www.shipallways.com

Location: Elizabeth, NJ

Company Description:

All-Ways is the pivotal link between point of manufacture and point of sale. Every day, we channel our thirty years of hindsight into the kind of distilled insight that uncovers opportunities and efficiencies within each link of our clients' supply chain. With a culture that breeds creativity, and with a personal stake in our clients' success, where others see roadblocks, we thrill to the challenge. We're agile, we're lithe, and we're driven. We're All-Ways. We get things moving.

All-Ways is an international freight forwarding company that sports several divisions:

- Logistics
- US Customs, USDA and FDA Clearing
- Trucking
- Warehousing

We have a dedicated Cheese and Gourmet Foods Department with over 20 employees. Our Customs Clearing Team is over 100 strong. We partner with our import clients and assist with all aspects of the US Import Process. We specialize in the US FDA, USDA and the US Customs Clearing of Cheese. Many of the founding members of the CIAA are included in our client base. We are considered the local FDA Superfiler.

Job Description:

The selected Customs Clearing intern will be introduced to the US Customs USDA and FDA clearing process. This position is data entry intensive. There will also be back office projects that help tie all of the entry process, freight release, vessel arrival, pier removal and warehouse receipt of this perishable product together. The candidate will also become familiarized with USDA Licensing Regulations.

This will be a high level opportunity for the selected student as we will fast track them through the US Customs HTS Code and explain how it is related to the USDA FAS Dairy Licensing Program.

Atalanta Corporation

<http://www.atalanta1.com/>

Location: Elizabeth, NJ

Company Description:

Atalanta Corporation is a multi-national food importer specializing in meat, cheese, groceries, fruit juice concentrates and fish products from around the world. The ancient Greeks revered the goddess Atalanta for her prowess as a hunter and the speed in which she acted. Our founders took this name for our company to emulate both her swiftness and ability to provide. Today we pride ourselves in providing our customers, suppliers and partners with the best possible service in the quickest amount of time.

Job Description:

Finlandia Cheese Inc.

<https://www.finlandiacheese.com/>

Location: Parsippany, NJ

Company Description:

Finlandia Cheese Inc. was founded in the 1950's as the demand for full flavored, quality cheeses began to grow in America. The rich, robust cheese quickly became a favorite in the finest New York deli's and then expanded into supermarkets, delis, cheese shops and restaurants throughout the Northeast. Today, Finlandia is one of the most highly regarded cheese brands in the United States known for superior taste and quality. While best known for traditional Swiss cheese, Finlandia's full line of delicious premium cheeses is now available in twelve flavorful varieties and can be found throughout the country. Finlandia cheese is most popular on sandwiches and as a snack, however, home cooks and chefs use Finlandia cheese within their finest recipes for its robust flavors. Finlandia Cheese is a division of Valio LTD, whose reputation in dairy began in 1905 when seventeen of Finland's finest dairies joined together to create the Republic's first dairy co-operative. This illustrious co-operative became known as Valio and produces more than 85% of the country's milk.

Job Description:

Finlandia is looking for a consumer marketing intern to join their marketing team. This internship will provide a well-rounded overview of consumer marketing as well as the opportunity to get hands on experience with a variety of marketing activities including digital, social media, events, public relations, research and promotions.

Jana Foods

<http://www.janafoods.com/>

Location: Miami/Ft. Lauderdale, FL

Company Description:

Jana Foods was founded in 1995 as a small import / export / sales & marketing firm. The company grew with volume sales of cheese, butterfat, and powdered dairy products to major food manufacturers, starting modestly with a small selection of cheese and butter items we began building our distributor network. Along the way we made some substantial acquisitions positioning us for future growth. Today, Jana sells nationwide through three sales offices, Iselin New Jersey, San Francisco and Miami representing some of the finest cheese producers in the world. These include Royal Friesland Campina in Holland, and Wyke Farms in Great Britain. In addition we have a strong portfolio of specialty cheese brands imported from all over the world including Australia, Denmark, Argentina, Czech Republic, Greece, Italy, Hungary and other countries.

Job Description:

We are looking for a well-qualified candidate to join our team as a sales and marketing intern. He or she will hold multiple responsibilities in the fields of sales and marketing, working primarily in the field to promote our brands through meaningful interactions with deli and specialty cheese managers.

Primary Responsibilities:

- Work closely with the sales and marketing teams to develop weekly plans of actions
- Assist with planning and execution of marketing campaigns and programs
- Gather primary data on our imported specialty cheese brands at various retail locations in the Miami/Ft. Lauderdale region by conducting product demonstrations
- Research and analyze trends for cheese, dairy and other new items within the specialty cheese depts.
- Relay knowledge of new products and promotions to deli and specialty cheese managers while providing them with relevant marketing materials
- Attend trade and consumer events in the region in order to gain insight into the industry while conversing with vendors and end consumers
- Present concise, actionable insights each week to the sales team at both of our offices in Miami, FL and Iselin, NJ

Skills:

- Interested in gaining experience in and learning about the unique specialty foods industry
- Currently pursuing a Bachelor's degree in marketing or a related field
- Must have a valid driver's license and access to a vehicle during the work week
- A positive, professional, and proactive attitude with excellent communications skills
- Must be a self-motivated, task-oriented individual who can work independently as well as be a significant contributor to the team

MCT Dairies, Inc.

<http://www.mctdairies.com>

<http://oldcroccheese.com>

Location: Millburn, NJ

Company Description:

Founded in 1983, MCT Dairies, Inc. set out with a goal of providing quality cheese and dairy products at competitive prices with an emphasis on customer satisfaction. Our initial philosophy was to offer customers the advantage of purchasing products at factory direct prices in less than truckload quantities while developing niche markets for manufacturers not previously explored by them. This concept has greatly expanded as the business continues to grow.

Since its inception, MCT Dairies has developed into a full line dairy distributor and trading house. We specialize in both domestic and imported products including cheese, butter, butterfats, milk powder, and dried dairy proteins. The company functions as a distributor, importer, exporter and marketing arm for numerous domestic and international manufacturers. Our focus is on value-added products, new product development, as well as purchasing out-of-spec or surplus products for further processing. MCT offers a wide range of products, ingredients and services to the industrial, dairy processing, manufacturing, cheese grating, cut and wrap, retail and food service industries.

Job Description:

Position: Logistics and Marketing Analysis Intern

We are seeking a goal oriented and motivated self-starter with strong analytical skills to assist the CEO, CFO and Marketing Manager in identifying new opportunities and improving current results through the design and implementation of accurate and meaningful sales analyses, market research and general sales and marketing assistance. The internship will provide valuable access to our unique and unparalleled expertise in the global dairy market through direct interaction with our management team. We are always "Thinking outside the barn"®

Responsibilities include (but not limited to):

- Main focus will be on sales and competitive analysis relating to our recently introduced Australian Specialty Cheddar Cheese brand (OLD CROC®)
- Work with marketing team on the viability of proposed or contemplated new products
- Respond to customer / consumer requests for samples and marketing materials
- Attend staff meetings and work with marketing agency in implementation of marketing strategies including suggestions for updates to website and other social media
- Research transportation costs and availability of locations relative to ports of arrival, supply chain vendors and delivery of finished products
- Provide assistance for upcoming trade shows and product demonstrations
- Assist staff in day to day office practices including interaction with customers and brokers
- Other analysis and research as needed

Skills:

- Marketing and/or Communications or Accounting Major
- Strong computer skills (i.e. Word, Excel, Power Point etc.)
- Knowledgeable experience in various forms of social media
- Knowledge of cheese is a plus.

Ornua Foods North America, Inc.

<http://www.ornuanorthamerica.com/>

Position 1: Sales & Marketing

Locations: Potential locations include for Sales & Marketing roles are Seattle, Boston, Miami, New Orleans, Chicago, Kansas City, and Phoenix. Location for Supply Chain is Evanston.

Additional locations may be available.

Position 2: Supply Chain

Location: Evanston, IL

Company Description:

Ornua (formerly the Irish Dairy Board) is one of Ireland's biggest exporters and a major food marketing and distribution company in Europe and the USA. A commercial co-operative, Ornua's function is to market the products of its member co-operatives and dairy companies. Exporting worldwide, it owns the internationally renowned Kerrygold brand and has an annual turnover of over €2.3 billion.

Ornua's US subsidiary, Ornua Foods North America Inc., has been in operation since 1984 and is based in Evanston, Chicago. From this office OFNA Inc. manages its full portfolio of dairy products, including the Kerrygold Butter and Cheese range.

Sales & Marketing Intern Job Description:

The sales & marketing internships involve merchandising and sampling the Kerrygold range to consumers and working closely with key retailers in designated markets. Applicants should be graduates of a Business, Marketing or Food related qualification and possess a full, valid driver's license. Previous sales or merchandising experience is highly desirable, while excellent communication and interpersonal skills and a friendly personality are essential. The ability to self-motivate and work unsupervised is critical.

Supply Chain Intern Job Description:

Assist in the implementation of a Materials Requirements Planning (MRP) module, defining and setting appropriate parameters to optimize both Order Fulfilment and Stock Turns by SKU. Additionally, working with our Third Party Logistics Provider (3PL) to implement recommended transport optimization initiatives. Also, supporting the smooth running of the department generally.

Key Areas of Responsibility:

Gain a full understanding of the M3 ERP, MRP module and the parameters that drive it.

Research those parameters using industry best practice and Ornua history to recommend settings

- Trial appropriate settings on selected SKUs to monitor the business impact, then implement across all SKUs
- Work with CH Robinson (3PL) to implement freight optimization initiatives
- Supporting the Customer Service team as necessary, particularly during periods of vacation.
