## **EU Responds to Joint Letter from CIAA and EDA Calling for End of Section 301 Tariffs**

On March 25, 2021, CIAA and EDA received a [letter](#) from Michael Hager, Head of Cabinet for Executive Vice President Dombrovskis, regarding the [joint letter](#) sent by the organization to the U.S. and EU governments earlier this year. As a reminder, the joint CIAA-EDA letter called for an end to the Large Civil Aircraft (LCA) dispute and for the governments to negotiate an end to the tariffs and sanctions authorized by the World Trade Organization.

In his letter, Mr. Hager notes the EU and US agreement to suspend all tariffs imposed in LCA disputes period of four months. Mr. Hager believes that “this important step should allow the EU and US to focus efforts to come to a comprehensive and durable negotiated solution to the civil aircraft disputes,” and assures both the CIAA and the EDA that the EU “will continue to spare no effort in engaging with the US on this urgent matter.” Mr. Hager also expresses hope that the suspension “will provide an important boost to both exporters and importers and help the food and hospitality sector recover from the effects of the Covid-19 pandemic.”
