"Imported Cheese 101" Education Seminar June 24, 2021 1 pm - 2 pm EDT

Limited Registration Available

Dear CIAA Members,

The Imported Cheese Board is excited to hold its first virtual educational seminar, **"Imported Cheese - 101"** on **Thursday, June 24** from **1pm – 2pm EDT**. The complimentary seminar is designed to educate and inspire those who are new to the cheese industry and may not have a broad knowledge of cheese. The one-hour program will include the history and purpose of cheese making, in addition to discussion on the PDO concept, milk composition and cheese production.

Participants will learn the nuances of four different cheeses and have the opportunity to taste each one during a special tasting. The selection of cheeses will be shipped to each of the participants in advance of the seminar along with a cutting board, note pad and cheese knife.

Due to the interactive nature of the seminar, we need to limit the number of participants to 70. We currently have a few openings available and will accept registrations on a first-come, first-served basis. If you would like to take advantage of this complimentary seminar, please use the link below to register.
