

## An Exclusive CIAA Member Update

## May 6th Member Meeting Presentations

The Dear CIAA Members,

Thank you to all who attended our May 6th Membership Meeting. We were excited to see you in person, and we hope you found the presentations insightful and helpful to your business. For those who missed the meeting, we had an engaging conversation about [FDA Supply Chain and Shipping Challenges](#) with our featured Speakers: Carlos Rodriguez, Partner, Husch Blackwell LLP, and Jeanette Gioia, President, New York/New Jersey Freight Forwarders. We learned of the CIAA's [President's accomplishments](#) over the past two years with past president, Daniel Schnyder, and we received an update on [news from Washington](#) from Emily Lyons from Husch Blackwell.

In addition, we held elections for the Board of Directors. Congratulations to all who were re-elected to their positions.

All of the presentations from May 6th can be found on the [CIAA website](#) under Activities/News.

We look forward to seeing everyone at our next Member Meeting on November 10th. More details to follow soon.
